### Oral and poster presentation

A data projector and a computer will be available for oral presentations. Please prepare your presentation no longer than twenty minutes (15 minutes for presentation and 5 minutes for discussion).

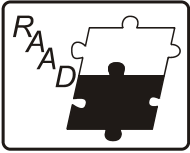

The authors of posters are kindly asked to prepare a printed poster for the poster session and bring it to the conference. It is expected that the authors will be available by the posters during a Poster Session. Posters should not exceed 70x100 cm (w x h). **Posters** will be displayed during the whole time of the conference.

### Accommodation

Registered participants will be accommodated at the conference venue. We have been executing accommodation requests in turn.

Because of a limited number of single and double rooms at the castle we have arranged two additional places for those participants, who registered later. The locations of the conference place and alternative accommodations places are shown on the map.

We apologize for any inconvenience.
